

# Storytelling Through Comics

Ready. Set.  
Write!

## Comic Strip Writing Directions

STEP 1 - Watch this video. *Story Elements*

[https://www.youtube.com/watch?v=-\\_nePjWXecQ](https://www.youtube.com/watch?v=-_nePjWXecQ)

STEP 2 - Plan the following story elements or parts.

- **Characters** - Examples: superheroes, dogs, cats, dinosaurs, fairies, people, etc.

- **Setting** – where and when the story takes place
- **Story Action (Plot)** – a beginning, middle and ending

STEP 3 – Copy the *COMIC STRIP GRAPHIC ORGANIZER* below to plan your story. Create a beginning, middle and ending.

STEP 4 – Copy the *COMIC STRIP TITLE PAGE* below.

STEP 5 – Make extra copies of the *COMIC STRIP PAGE* if you want to make a comic book instead of a single comic strip. Staple together with title page.

STEP 6 – Write and illustrate your story.

- Create speech bubbles to write dialogue in your story or write the dialogue in each box provided.

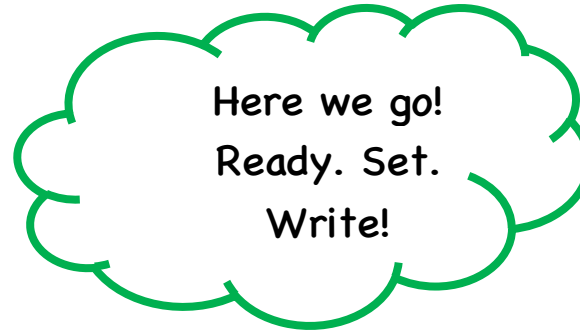

- Create onomatopoeia - *words that describe a sound.*
